

Greetings from the Institute for Strategic Studies, Research and Analysis (ISSRA), National Defence University, Islamabad.

ISSRA, in collaboration with Musaliha International Center for Arbitration and Dispute Resolution (MICADR), is organizing an International Seminar titled “Strengthening Investor Confidence: The Role of Mediation in Pakistan's Economic Future,” on Thursday, 16th April 2026.

The event aims to enhance investor confidence in the investments placed within Pakistan by presenting mediation as an effective investor-state dispute resolution forum. It seeks to showcase the effective mediation framework growing within Pakistan and what the evolution of mediation means for Pakistan's economic future. Mediation experts from across Pakistan shall be joining the discussion in person and virtually, along with participants who will attend both in person and virtually.
